Dear Skiers and Snowboarders,

This winter Vermont Ski Tours is celebrating its 54th season! Since 1968, we have hosted hundreds of thousands of skiers and snowboarders on their adventure to the slopes. While a lot has changed in the last 50+ years, our passion for skiing remains stronger than ever.

As the oldest ski tour operator in the United States, we have spent the last five decades perfecting the art of the perfect ski vacation. A single phone call to VST can confirm your bus transportation, lodging, meals, and lift tickets. By combining these amenities together, with our years of expertise, we are able to provide our clients with both the most seamless and cost effective travel experience.

The winter of 2021 is going to be unlike any winter us skiers have experienced. With the COVID-19 epidemic ongoing, we are taking proactive steps to protect the safety of our customers. A summary of those steps are listed on the back of this flier.

In addition to our traditional Vermont packages, we are now offering two resorts in New York: Gore Mountain and Whiteface. Furthermore, we offer unlimited options for custom trips designed to fit any group or budget. Just give us a call.

We hope you are as excited about the upcoming ski season as we are!

See you on the slopes,

Pete Campana
